This Crossing Boundaries Arts Exhibition will showcase total of 150 exhibits, with artists from as many ethnic communities as the color of the multi-cultural fabric of Canada can represent. 75 exhibits by Federation of Canadian artists and another 75 by artists of International Arts Gallery. Exhibitions will be held at both galleries.”

David Johnston

Governor General
Commander in Chief of Canada

I am pleased to send greetings to all those attending *Beautiful Canada — National Crossing Boundaries Arts Exhibition 2017 in Celebration of the 150th Anniversary of the Establishment of Canada as a Nation*.

Art is the means by which one soul speaks to another. It speaks all languages, transcends borders and moves between us effortlessly. It encompasses our hopes, our dreams and our courage. The compositions on display here constitute the very essence of their makers; they are the embodiments of each artist's unique perspective on the world, and speak to the growing relationship between Canada and China.

I offer my congratulations to the artists featured in this exhibit, and I wish all of you a moving and enlightening experience.

PRIME MINISTER

May 2017

Dear Friends:

I am delighted to extend my warmest greetings to everyone attending the “Beautiful Canada - National Crossing Boundaries Arts Exhibition 2017 in Celebration of the 150th Anniversary of Canada.”

This exhibition, featuring 150 artists from different ethnic communities across the country, offers a wonderful opportunity to celebrate the 150th anniversary of Canada’s Confederation. Throughout 2017, Canadians will come together to honour the many cultures, traditions and beliefs that make Canada such a wonderful place to live.

I would like to commend the Canada Arts Bridge Association and the Federation of Canadian Artists for their hard work and dedication in putting together this exhibition. Events such as this are an important reminder that our country is made great not in spite of its diversity, but because of it.

Please accept my best wishes for a memorable event.

Sincerely,

A handwritten signature in blue ink, which appears to be "Justin Trudeau". The signature is fluid and stylized, with a long horizontal line extending from the end.

The Rt. Hon. Justin P. J. Trudeau, P.C., M.P.

A Message from the Lieutenant Governor

As the representative of Her Majesty The Queen in British Columbia it is my distinct pleasure to welcome you to *“Beautiful Canada” – National Crossing Boundaries Arts Exhibition 2017*.

I believe that healthy and vibrant communities celebrate through art and what better way to celebrate Canada’s sesquicentennial than with an exhibition showcasing artistic diversity from across the nation. The International Arts Gallery, Federation of Canadian Artists and the Canada Chinese Arts Bridge Association have done an outstanding job bringing this exhibition together.

On behalf of all British Columbians I extend my thanks to the participating artists for sharing their talent and passion with their fellow citizens and to all the volunteers and supporters for their efforts to bring this exhibition to life for all to enjoy.

Sincerely,

A handwritten signature in blue ink that reads "Judith Guichon". The signature is written in a cursive, flowing style.

Patrick Meyer
Executive Director
Federation of Canadian Artists

On behalf of the Federation of Canadian Artists I extend a warm congratulations to all artists included in this exhibition, as well as to the jurors, volunteers, and staff of IAG and the FCA who have made this exhibition possible. I have personally been witness to a small fraction of the work necessary to orchestrate this exhibition and am very pleased to see the high calibre work that we see in this National Crossing Boundaries Art Exhibition 2017.

The Federation of Canadian Artists has a rich 75 years history. Group of Seven luminaries Lawren Harris, Arthur Lismer, and A. Y. Jackson were among the founding members of the FCA, along with many other highly respected Canadian artists such as Emily Carr, André Biéler, Frances Loring, Walter Abell, Ernest Lindner, and Byllee Lang. They came together with a common mission to unite all Canadian artists for mutual support and to promote common aims. This is still very much what we do today; we advance the knowledge and appreciation of art and culture to all Canadians, offering education, exhibition, and communication in the Visual Arts, and support and promote emerging artists. Crossing Boundaries is the next step in this mission; to provide support, promote common aims, and unite artists throughout the world and across cultures.

The book you hold in your hands is your very own portable exhibition. Each page features an artwork that speaks to the beauty of Canada. I extend a heart-felt thank you to the artists for the hours of time, moments of inspiration and frustration, late nights and extended mornings, and for the creative energies invested lovingly into each brushstroke. Their work contributes to our human culture.

Warm Regards,

Patrick Meyer
